

De Portola Elementary School Holds Fundraiser in David's Memory!

Giving a Little Adds Up to Making a Big Difference...

In February, 2006, the student council of de Portola Elementary School, Mission Viejo, California rallied the students and families to donate money in the annual "PENNIES FOR PATIENTS" fundraiser. A total of over \$1800(over \$1000 more than the previous year) was raised and donated to the Leukemia and Lymphoma Society in the name of David Allweiss, a former de Portola student.

In April, Patty Allweiss attended the early morning student council meeting to personally thank the students and their advisor, Mrs. Christie Krieg (1st grade Teacher). She brought Krispy Kreme donuts and refreshments. She also gave students "LIVESTRONG" wristbands from the Lance Armstrong Foundation.

Thank you to all students, staff, and faculty who donated; and a special thank you to the Student Council and Mrs. Krieg for leading the way in this worthy project.
